

KPRAT Whitepaper

A meme coin sailing on the Kaspia Chain

1. Vision

KPRAT is a community-driven meme coin anchored in the values of the pirate era: freedom, fairness, and loyalty. Built on the Kaspia blockchain, it embodies the spirit of decentralized adventure and collective ownership.

“No pirate sails alone — loyalty is the strongest treasure.”

2. Why KPRAT?

- **Kaspia-native:** KPRAT is built on Kaspia’s ultra-fast GHOSTDAG technology, enabling high throughput and instant finality.
- **Culture-first:** Inspired by pirate lore and community memes, KPRAT is more than a token — it’s a crew.
- **Fair and transparent:** No VC funding, no insider dumping — KPRAT is for the people, by the people.

3. Token Overview

- **Token Name:** KPRAT
- **Standard:** KRC-20
- **Chain:** Kaspia
- **Total Supply:** 167,000,000,000 (167B)
- **Premint:** 5% (8,350,000,000 KPRAT)
- **Self-Minted:** 10% (16,700,000,000 KPRAT)
- **Community:** 85% (141,950,000,000 KPRAT)

4. Token Distribution

- **5% Premint** – For genesis deployment, early community testing, and initial infrastructure.
- **10% Self-Minted** – Reserved for strategic airdrops, event-based burns, CEX liquidity pools, and partnership incentives.
- **85% Community** – Fair-launch allocation via public mint.

5. Use Cases & Utility

- Governance Voting
- Burn Events & Gamified Scarcity
- NFT Ecosystem Access (Genesis NFTs, future drops)
- CEX & DEX Liquidity
- Community Quests & Reward Pools

6. Roadmap

- **Q2 2025** – Launch website, Genesis Story, Premint
- **Q3 2025** – Self-Minting for Airdrops, NFT teaser drops
- **Q4 2025** – First burn events, CEX listing prep
- **Q1 2026** – Community DAO voting begins
- **Q2 2026** – NFT ecosystem expansion, Pirate Game Teaser

7. Key Features

- **Security:** Backed by Kaspas PoW and GHOSTDAG finality
- **Speed:** 10+ blocks per second — fast, smooth transactions
- **Decentralization:** 100% community-driven; no VC or insider ownership
- **Low Cost:** Gas-efficient KRC-20 transfers
- **Utility-Driven:** Staking, NFTs, governance, events

8. The Code of the Chain

“No pirate sails alone.”

Every action in the KPRAT ecosystem is guided by its core values:

- **Loyalty** – Crew-first tokenomics and governance
- **Fairness** – No whale allocations or private sales
- **Freedom** – Built without central control, evolving through community votes

9. Expansion & Engagement Strategy

- **Transparency & Updates:** Weekly updates on socials, open multisig wallets
- **CEX/DEX Listings:** Gradual onboarding to increase reach & liquidity
- **Cross-Chain Swaps:** Future bridge to other networks using \$KPRAT
- **Community & Content:** Focus on memes, lore, interactive quests
- **Partnerships:** Collaborate with other Kaspa projects, artists, and tools
- **Merch & NFTs:** Limited edition, pirate-themed collectibles purchasable in \$KPRAT
- **Marketing:** Organic growth via community-driven storytelling & creative drops
- **Long-Term Vision:** Build a legendary crypto brand that thrives on trust and fun

10. Closing Statement

KPRAT is a movement disguised as a meme coin. Backed by technology, driven by lore, and steered by its crew, it aims to set sail on one of the most authentic, engaging journeys in the KRC-20 ecosystem. Join the crew, claim your share, and let's raid the crypto seas together.
